MEDICARE GUIDE

Medicare open enrollment checklist

Work through this once a year, before the window closes. Your name: _____

Oct 15 to Dec 7	Jan 1	Jan 1 to Mar 31
Open enrollment, every year	Changes take effect	Advantage plan members: one change

Your review

- [ ] Read your **Annual Notice of Change**. Plans send it by the end of September.
- [ ] List every prescription you take, with its dose (table below).
- [ ] Check that each drug is on the plan's drug list, and what you'd pay for it.
- [ ] Check that your doctors, specialists and hospital are still in the network.
- [ ] Add up the total cost: premium, deductible, copays and the yearly out-of-pocket limit.
- [ ] Check your pharmacy, including mail-order options.
- [ ] Compare at least one or two other plans before you decide to stay or switch.
